GLOBE MICROSYSTEMS LIMITED, UNIT D7, SANDOWN IND PARK,  
ESHER, SURREY, KT10 8BL

TELEPHONE: 01372 471000

FACSIMILE: 01372 471200

**REACHING US BY CAR:** The most direct route would be from Junction 10 of the M25. For a more detailed image please click on the linke below. Leave the M25 junction 10 sign-posted A3/ London (SW)/ Kingston. Travel Northbound on the A3 for about 4 miles. Take the next slip road, sign-posted Esher (A244), at the roundabout take the first exit onto A244 (Copsem Lane). Continue on this road for about a mile and you will enter Esher. Go straight ahead at the traffic lights. Where Esher Church appears on the left hand side you will see a fork in the road around a monument ahead of you, take the right fork, keeping the green on your left hand side. Follow the road, the side of Sandown Race Course will be on your right hand side. At the bottom of the hill, where the road bends around to the right, do not go right, but go straight on (left exit). You will then go under a small railway bridge. When you have gone under the bridge stay left and follow Mill Road, with the railway on your left hand shoulder. At the end of the road the entrance to the industrial park will appear in front of you. The Globe offices are located at the start of the right hand block of buildings on the industrial complex called Sandown Industrial Park.

**REACHING US BY TRAIN:** It is a 20 minute walk from Esher Station to the Globe Microsystems Offices. Come out of the Station and turn immediately right, walking underneath the railway bridge. Walk along the road about 100 metres and turn left into Lower Green Road. Follow this road for less than a mile, keeping Sandown Race Course on your left hand side. When the road starts to bend around to the left and go uphill, there is a small grass quadrant after the Tudor houses. You must go right here and go back under the railway at the railway bridge. Follow the railway line keeping it on your left hand side. After 200 metres you will enter the Sandown Industrial Park. Globe Microsystems Limited is the first building on the right side.
